## Celebrating 100 Miles of Cary Greenways Photography Competition

Deadline to Apply: midnight (EST) | September 1st, 2026

### *General Information*

**Wow—Cary now has over 100 miles of greenways!** From our very first greenway built back in 1979 to the vibrant network we enjoy today, we've come a long way. To celebrate this exciting milestone, Cary invites you to grab your camera and capture the beauty, the many ways people enjoy the trails, and the moments of joy and discovery that make our greenways so special.

The Town of Cary is looking for photographers to submit photos of the greenways and trails that run throughout Cary. Selected photographs will be on view at the Bond Park Community Center October 7, 2026 - December 13, 2026.

Photographers may submit up to 3 images. All images must have a high quality resolution of around 300 dpi and preferably cropped to size. Accepted files include JPG and TIFF. Name files with your first and last name and the Greenway/Trail name that the picture was taken. For example: Jane.Doe-Black Creek Greenway.jpg.

Photographers will submit images, contact information and the name of the greenway where photos were taken to <https://www.hightail.com/u/DeniseDickens-PublicArt>

20 images will be selected from the applications to be displayed at the Bond Park Community Center for October to December, a small selection of winners will be chosen to have their photographs displayed on Go Cary Bus Graphic.

Fill out the application on the next page to apply!
